AGREEMENT	
<p>1. Operator understands RVSM approval through the FAA will take approximately 60 days, depending on the workload of the Flight Standards District Office. There is no way to expedite RVSM approval.</p> <p>2. Operator understands he/she must be the first point of contact for the FAA. However, any technical questions or changes to the RVSM application package requested by the FAA can be directed to Aircraft RVSM Services, LLC until the LOA is issued.</p> <p>3. By submitting this application, you authorize Aircraft RVSM Services, LLC to prepare RVSM documentation for the aircraft listed above. The charge for this service is \$1,970.00 and is due upon completion of the RVSM manual.</p> <p>4. Aircraft RVSM Services, LLC agrees to complete the RVSM application package within three days of receipt of this completed information form.</p>
